The list is also used by group members to provide details of their events and other information. If you do not agree to being added to this group mailing list, you will not receive updates on any activities, unless you contact the event organiser directly – the online programme can be checked for up-to-date basic information about upcoming events. You can also be added to the members-only Facebook group where members share photos and general chat about walks/events. Ipswich Outdoor Group – 2018/2019 Membership Form

PROSPECTIVE MEMBERS

Prospective members are welcome to participate without officially joining the Group for up to three local events. After this time, you must become a full member of the Group for group civil liability insurance purposes. Trips involving an overnight stay are also strictly limited to members-only, again to ensure participants are covered by the Group's insurance.

JOINING THE GROUP

The Group's membership year runs from the 1st July to the 30th June. If you join the Group for the first time before the 1st January 2019, your membership will be due for renewal on the 30th June 2019. If you first join after the 1st January 2019, your membership will be due for renewal on the 30th June 2020.

On joining, new members can request a generic membership key tag from the membership secretary. More information on the discounts your IOG membership key tag can provide you with is available from: www.ipswichoutdoor.org/membershipbenefits

MEMBERSHIP RENEWAL

At the end of June all members who need to renew their group membership will receive a reminder from the membership secretary. It is important that all members complete and return an updated copy of this form with their renewal. To ensure your personalised membership key tag for the year 2018-19 is ordered, you must renew your membership strictly no later than 1st September 2018.

CHILD MEMBERS

Parents and guardians who are members of Ipswich Outdoor Group can apply for child membership for their children under the age of 18, at no additional cost. Anyone over 18 should apply for their own Group membership. However, please note that when children (as named on the front side of this form) participate in Group activities they must be accompanied by their parents/guardians and must be registered as child members. Members remain responsible for their children *at all times* and should consider carefully the suitability of the activity for their child.

RESTRICTED MEMBERSHIP

Restricted membership is available to those living over fifty miles from Ipswich and therefore are unlikely to attend more than a few events from the Ipswich Outdoor Group programme during the year.

DATA PROTECTION

The Ipswich Outdoor Group will hold and process members information according to the privacy policy published on the IOG website: www.ipswichoutdoor.org/privacypolicy

Emergency contact information will be available to committee members and may be shared with other Group member event organisers, in an emergency.

LIABILITY OF THE GROUP

Ipswich Outdoor Group accepts no liability for loss, damage or injury incurred in connection with any Group activity or travel to or from it, howsoever caused. It is the responsibility of persons sharing transport with others to ensure that the driver has appropriate insurance for the vehicle concerned. Personal accident/travel insurance is the responsibility of individual members, and highly recommended.
