Where did you hear about the IOG?

The IOG uses an email group mailing list for publicising the programme and circulating announcements from the committee. Group members also send details of their events to it. If you opt-out of the list, you will not receive updates on any activities unless you contact the event organiser directly – the online programme can be checked for up-to-date basic information about upcoming events. You can also be added to the members-only Facebook group for sharing photos and general chat. If you use a different email address for Facebook, please add it as an additional address in the Email Address text box above and mark it as such.

I want my email address to be added to the IOG group mailing list and/or members-only Facebook group.

Email the Membership Secretary at any time to update an email address or to be added to the mailing list / private Facebook group.

I wish to OPT OUT of personalised IOG membership key tag(s) when the annual August order is placed.

I have made a membership fee payment by bank transfer, cash or cheque. Payment option info overleaf.

I have read and understand the IOG Frequently Asked Questions (www.ipswichoutdoor.org/faq) and the notes overleaf.
I agree my name and email address will be included by default on the online and printed programmes, if I organise events.

PROSPECTIVE MEMBERS - Prospective members are welcome to participate in three local Group events before they are required to become a full member to ensure coverage by the Group's liability insurance. Some events may be unsuitable for pets or young families; always check with the event organiser first. Trips with an overnight stay are strictly limited to members-only to ensure all participants are covered by the liability insurance. *Note: this is **NOT** a replacement for personal insurance which individual members are responsible for arranging when travelling with the Group. Confirmation of personal travel insurance for every attendee is required for any overseas travel with the Group.*

JOINING THE GROUP - At all times, our members are personally responsible for themselves and expected to respect the environment, local community, wildlife and other people. To keep our Group safe, discrimination, prejudice, bullying or harassment of any kind is not acceptable or tolerated. Members are expected to behave respectfully across all the Group's social media and maintain our family-friendly community. Please report any concerning behaviour in the Group's online communities to our Member's Representative (membersrep@ipswichoutdoor.org) immediately.

The Group's membership year runs from 1 July to 30 June. Those joining before 1 January, will have their membership due for renewal on 30 June. To encourage prospective members, anyone joining the Group for the first time between 1 January and 30 June, will have their membership extended so it will be due for renewal on 30 June the year after.

Unless opted out, registered IOG members at the start of the IOG year can collect a personalised membership key tag in September which enables various benefits, as detailed here: www.ipswichoutdoor.org/membershipbenefits. On joining, new members can request a generic membership key tag from the Membership Secretary.

If making a bank transfer, please clearly include the sender in the reference, especially if transferring from The Co-operative Bank / Smile.
